UPT CARD READER FOR MAG STRIPE, CHIP, AND CONTACT PAYMENTS

An All-In-One Solution

The UPT Card Reader is one of the few cashless payment systems in its class that is certified, 4G Ready, and features a beautiful 3.5" full-color touchscreen, providing an attractive interface with ultimate payment flexibility for your customers. The UPT can even accept and integrate with campus card systems in addition to standard mag stripe and chip payment cards or contact devices. A built-in 4G telemeter allows full transactional reporting capability to card vendors.
