

## COMPACT SMART DEPOSIT SOLUTION

**SDS-300**

Front & Back Office Smart  
Deposit Solution

## COMPACT BY DESIGN AND FEATURE RICH

PayComplete's Smart Deposit Solutions SDS-300 is built to combat the challenges that today's Retail & Hospitality business experience with acceptance & secure storage of cash. The SDS-300, with its compact dimensions, allows for versatile and secure placement in any Retail or Hospitality venue. Easily positioned below counter level at the point of sale or with minimal footprint impact in the cash office, providing counterfeit note detection & shrinkage protection. It is the ideal solution for businesses where cash volume, security and handling takes up a significant amount of staff resource and time. With Connect on Device as standard and a seamless interface to PayComplete's Connect platform, the SDS-300 is the cost-effective solution for CIT's to provide instant or daily credit to the Retail and Hospitality sector.

## FEATURES
